Job Description

WORKING AT HEALTH POINT HOSPITALS RANCHI

We are a good team to work with. We learn, explore and redefine the boundaries of excellence of patient care. It let us get prepared for the future. We stand for teamwork, commitment and care for our team members.

When you step into Health Point Hospital to Ranchi; you step into a new family. We take care of each other, and we work together to achieve our commitment to patient care and safety. As team, we enable each other to grow in life, career and experiences. As growing hospital, possibilities for career development is immense. It does put us into challenges often. This offers us all to work together and grow. You will find all our clinical and non-clinical team collaborate effectively. As a team member, you will feel respected and recognized for your contribution.

WHAT TO EXPECT

We need someone who could report into Chief Intensivist. The Intensive Care Registrar, under the guidance of the Chief Intensivist, is responsible for the care and safety of all patients under his/her care. Included within this assignment is the responsibility for ensuring effective communication with the charge nurse, the patient, staff, physicians, and other hospital departments.

Apart from the fundamental educational requirement, outstanding scientific skills, communication skills and behavioral skills are desired. An eye for detail, accuracy and critical thinking is a must. Teamwork is essential as this job necessitate the person to work in partnership with other members in the team. Other prerequisites necessary are optimistic attitude, compassion and high levels of endurance and dedication. They must have the aptitude to work under minimal regulation, unpredictable shifts and long hours and must remain alert during duty hours.

| Duties & Responsibilities | % of time |
|---------------------------|-----------|
| A. OT Services | 70 |
| B. Educational | 20 |
| C. General Office Duties | 10 |
